

PERFORMANCE HANDICAP RACING FLEET OF SOUTHERN CALIFORNIA

Annual General Membership Meeting

November 21, 2006

Long Beach Yacht Club

The meeting was brought to order at 7:08 PM - Outgoing President, Brian Hull presiding
Brian addressed the board and members thanking all who help make PHRF work noting that PHRF is made up of real racers who work hard, especially the Area Boards. A special thanks to our Chief Handicapper, Cole Price, and his advisory team of experts who work so very hard to make recommendations fair and just. They are to be commended. "It's amazing how the numbers recommended by the industry experts Cole has asked to help him are so close, especially for the highly modified boats."

Brian then read a note from outgoing PHRF Judge Advocate, Phil Eaton, apologizing for not being here tonight and also commending the people who work hard to make the Southern California PHRF system work.

PHRF Vice President, Rick von Heydenreich, reported that the 2006 PHRF Championship Regatta was a lot of fun this year. The race went very well and King Harbor Yacht Club did a very good job of hosting the event.
